If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. Example for allocation of quantity to SC/ST/woman MSEs:

Say 8 MSEs fall within price band of L1 + 15% with only 1 SC/ST MSE and 1 Women MSE and all agreeing to match L1 rates, SC/ST MSE to be awarded 4 % of quantity and Women owned MSE to be awarded 3% of quantity. Balance 18% quantity to be split equally among other 06 MSEs. In tenders where only one woman SC/ST entrepreneur qualifies for purchase preference, she may be allocated quantity for both SC/ST as well as Women i.e. minimum 7 %. Allocation of 4% quantity for SC/ST MSEs & 3% for Women owned MSEs are the minimum allocation. In case such bidders get higher allocation in normal course as being a MSE bidder, the higher allocation shall be provided to such bidders.

(2) (i) In case of more than one such MSE qualifying for 15% purchase preference, then the eligible MSE(s) shall be allowed to share portion of supply in the following manner:

2nd Preference: MSE-SC/ST

3rd Preference: MSE-Women

4th Preference : Other MSEs

Note: In case of more than one eligible bidder in any of the categories mentioned above, lowest amongst those bidders will be eligible for purchase preference.

(ii) In the opinion of ONGC, if tendered goods/services cannot be divided in the ratio of 75% / 25%, then ONGC reserve the right to award on lowest eligible MSEs for quantity not less than 25% quantity, as may be dividable.

For example:

In case tendered quantity is between 1 to 3 (not divisible in the ratio of 75:25), MSE shall get order for 1 no. only and the rest will go to L-1 (non-MSE bidder). Same analogy shall be applied for quantities which are not dividable in the exact ratio of 75:25.

Notes:

(i) In case of any other preferential policy applicable in a tender, distribution of quantities for supply of goods/services among eligible bidders shall be done in such a manner that eligible bidders get the share of minimum specified percentage for supply by them.

(ii) In case tendered items cannot be procured from multiple sources or are absolutely non splittable or non-dividable, PO/Contract shall be placed for supply of 100% quantity as per following order of preference to lowest eligible bidder, if any, amongst the bidders qualifying for purchase preference:
